This Christmas season gives us an opportunity to express our thanks to all the donors who have made it possible for East View Cemetery at East Lake to continue to be a peaceful and attractive oasis in the inner city of Atlanta. It takes a lot of hard work and dedication by our volunteers to see that those funds are used in the most advantageous way to achieve that goal.

In addition to the ongoing expenditures of grass cutting, leaf disposal, tree maintenance, utilities, and insurance; we have begun work on installing a bathroom in the old block building on the property. This would be a great convenience to those who volunteer their services on the monthly work days as there is not a public restroom anywhere near the cemetery. We have had the building treated for termites, which had to be done first of all, and the old termite damaged wood removed. The next step is the plumbing. Locating the old meter, which the city of Atlanta installed on the property years ago, is still a holdup. They, so far, have not located it. We had hoped not to have to install a new meter as it is almost \$2,000.00. After the plumbing is done we should be able to complete the project in a very short time. Additional donations for this project will keep us from going into emergency savings, and should be sent to East View Cemetery Association, P.O. Box 3572, Lilburn, Ga. 30048-3572.

2014 was the first year of our "annual" plant sale. It was a success and raised over \$300.00 for the work at East View. We welcome your plants, and presence. Details will be announced in our spring newsletter. We believe that with good publicity and participation, we could double that figure. Any new ideas for ways to raise funds would be greatly appreciated. As always, our major source of funds is donations from friends and family.

We continue to encourage the East Lake neighbors to take an active part in the preservation of East View, and have had a good response. We try to have a representative from East View at every neighborhood association meeting.

Thank you again for putting East View on your Christmas list.
