March 25, 2024

Greetings to All and Welcome to Spring. Pollen is in the air. Weeds and grass are growing fast in the cemetery. Mowing has already begun, and must be done every three weeks until Fall. This is the Cemetery's biggest expense. We look forward to receiving donations to help maintain the cemetery in a neat and welcoming condition.

The Cemetery will no longer be able to have the trash pile picked up by the City of Atlanta after each work day. We are now looking to find a private hauler at a reasonable price. Our biggest piles are in October and December when the Boy Scouts help us get up the massive amounts of leaves during their days of service. We have smaller piles of trash on the other work days. We need more volunteers to help us in the cemetery. There are many ways to help with smaller projects.

Have you seen the remodeled and upgraded East View Cemetery website? Robert Cameron helped us with this project. It is colorful and easy to navigate. He also set up a PayPal Account for the cemetery at the request of several people who would rather donate that way instead of writing and mailing a check. Look in the upper right corner of the home page. We are also trying to fill in missing information on the Locate a Grave page. If you see an error or something missing, please let us know.

Our next scheduled work day is Saturday, April 13, 2024. Come and be with us that day. Volunteers not only help clean the grounds but also visit and learn more about the cemetery and latest projects. In the office you will find a display of snacks and drinks. Bring a friend and/or a relative.

Donations are needed to help with expenses all year. They may be sent to our mailing address: East View Cemetery Association, Inc., P. O. Box 3572, Lilburn, GA 30048-3572. They are tax deductible to the full extent as allowed by law.
