September 7, 2015

September has arrived and so far it feels a lot like July and August. The cemetery is looking lush and beautiful due to a lot of rain in August which necessitated additional grass cutting to keep up with the growth. This month we will go back to our regular schedule for grass cutting.

We were able to hold our annual meeting in the renovated building on the property, thanks to the work of contractor, Allan Snipes, who did an excellent job of installing water to the bathroom, and electricity to the building. He also installed sheet rock walls in the building, as well as electrical outlets, and light receptacles. Several members brought electric fans, and it was almost comfortable in the middle of July. These improvements to the old building were made possible, in part, by some generous special donations.

The extreme heat this summer has kept some of our regular volunteer workers away on the second Saturday work/visitation days. Hopefully, we will have some ideal weather this fall and get a lot of clearing and clean up accomplished. Our biggest volunteer jobs occur in late fall when our beautiful big oaks drop their leaves. Hopefully, the Boy Scouts will again offer their help to us. When they are with us it looks like a bee hive of activity. We are very grateful.

Please come, if you can, to work/visitation days on the second Saturday of September, October, and November. Those dates are Sept. 12, October 10, and November 14 from 10:00 AM to 3:00 PM. In case of inclement weather, we will meet on the next calendar Saturday of each month. Bring your rakes, gloves, and paper leaf bags, we will provide the snacks. If you have no tools, don't worry, we have some in the work building.

As our donations run a little low this time of year, we ask that you remember to send your donations for the upkeep of the cemetery. Renovations and the addition of a water and power bill have caused a temporary lowering of our bank balance. Thanks for all you do.

Please send donations to:
East View Cemetery Association
